### Meals on Wheels Ministry

A new ministry, Meals-On-Wheels, recently started at First Church. This is through the Department of Social Services for shut-ins who receive a meal 5 days a week. The meals are prepared and packaged by The Vidant Hospital and they deliver daily to the East Haven Apartments where our volunteers receive and take the meals to the recipient's home. We deliver the 2nd and 4th Tuesday and 3rd Thursday of each month. We have six volunteers and five substitutes. This is such a rewarding ministry and the recipients are so appreciative. Contact Verell Freese for further information.

### Adult Electives Wednesday evenings

Still room in our small group study and discussion classes for new people to come on in.

**Falling In Love With Jesus. . .Again** - A verse by verse study in the book of Matthew with teaching by Bob Russell. Discussion starters and study questions helps participants to apply the principles from this book. Facilitated by Jimmy Harris (Wednesday evenings in room 113).

**Ladies Bible Study** - Studying, sharing, and supporting each other as women led by Cara Singleton (Wednesday evenings in room 122).

**In His Image** - The most distinctive feature of the biblical understanding of man is that man has been created in the image of God. But what does this mean? The image of God sets human beings apart from the animal world, fits them for the dominion God intended them to have over the earth and enables them to commune with their Maker. It is a likeness mentally, morally, and socially. This study will help us to understand what it means to be made in the image of God as well as to live in that image or likeness. Led by Gene Andrews (Wednesday evenings in room 102)

### Summer at FCC

During the summer months, First Church will not have Sunday evening classes or programs. Instead of coming to the church building during this time, the leadership encourages everyone to "Be the Church." The Insight has practical suggestions of how to be the church this summer.
